

**Board of County Commissioners  
Frederick County, Maryland  
December 1, 2010 – December 1, 2014  
Major Accomplishments**

**Budget Impacts:**

- **Eliminated** the Pension Program Plan for the Board of County Commissioners.
- **Reduced** BOCC Expense Accounts **by 90%**, from \$2500.00/ year to \$250.00/year for each commissioner.
- Made significant **changes** to the **Frederick County Defined Benefit Pension Plan**. The Plan is **currently funded at 82%**. Based on these changes and the Plan's very favorable investment results, it is expected that the funding will improve appreciably and should be **close to 90%** by the end of our term. As of 6/30/2012 the **State's** retirement plan's actuarial funded status was at **67.4%**.
- **Increased the contributions** to the Pension Plan from the County Employees, 2% for non-uniformed employees (from 4% to 6%) and 1% for uniformed employees (from 8% to 9%)
- Established a Defined Contribution Retirement Plan for specific employee groups hired on or after July 1, 2012, **relieving the taxpayers of the long term unfunded liabilities**.
- **Fully funded** the annual required contribution (ARC) for **OPEB** (retiree health benefits) and reduced the unfunded liability. The current market value of assets held in OPEB trust is \$51 million.
- **Continue to reduce and restructure the size of County Government** regarding the budget and full time employees (FTE's). Frederick County at its **peak** had **2,646 budgeted FTE's**. **As of July 29, 2014**, we have **1,877** part-time and full time positions filled, with the goal to continue to reduce the size of government.
- Moderately Priced Dwelling Unit (MPDU) Program Payment in Lieu Option; applicants may now choose to make a payment to the Frederick County Housing Initiative Fund of \$17,500 per required MPDU.
- **Reduced** the Building Excise Tax Rate
  - Residential
    - 700 square feet up to 1,400 square feet /from **\$0.10 to \$0.00**
    - 1,400 square feet+/from **\$0.25 to \$0.00**

**Public/Private Partnerships:**

- **Privatization** and Other Service Delivery Models: As we **reduce the size of government** we will continue to utilize **private companies**, contractors, and part-time non-benefitted employees to deliver services while **not assuming the long term liabilities**, such as **pensions** and benefits to the taxpayers.
- Head Start Services transfer to the YMCA. **Saved over \$2 million dollars** in salaries and benefits to the taxpayers of Frederick County while providing the same service.
- **Outsourced** Sewer Televising Inspection Services saving approximately **\$190,000.00**.
- Currently our “helpdesk” for technology service and inventory management, and some Internal Audit Services have been **transferred to private companies**. Pilot Programs began for Public Improvement Agreements for developer funded streets and storm drains.

- Identified synergies with the Frederick County Board of Education. Frederick County Public Schools now assumes total responsibility of Frederick County Government's warehouse and mail room operations. The **warehouse merger** alone is projected to yield a savings of **\$80,000 in the first year** of operation, and approximately **\$124,000 per year** thereafter. Pilot Programs approved by the Board and in progress:

## May 2012

### **Synergies success:**

- This BOCC convened a **Synergies Committee** to seek and obtain valuable efficiencies and tax savings on various projects and endeavors in which Frederick County. Government participated with one or more other governmental entities in the County—Frederick County Public Schools (FCPS), Frederick Community College, The City of Frederick and other municipalities. These efforts resulted in over **\$6 million in savings** in 2011 with projected savings of over **\$3 million** per year in **future years**. In 2011, the savings were primarily due to new, cooperative purchasing with FCPS (\$1.479 million), joint participation in a CIGNA health insurance program (\$2.7 million), and joint participation with FCPS in parks and recreation programs (\$1.0 million).
- Assisted in securing funds of \$1 million for a loan from Woodsboro Bank to Brunswick Volunteer Fire Company for their new Fire Hall.
- Moved our Interagency Information Technologies Division to Winchester Hall. The county building at 117 East Church Street that housed this division **is for sale**, which will put the facility back on the tax rolls. A Task Force has been formed. The Frederick County Public Works Division relocated from 118 North Market Street to 355 Montevue Lane in December, 2013. The Division of Parks and Recreation relocated in April of 2014.
- **Long-Term Building Consolidation Synergy & Efficiency** Plan
- **Reorganization** of the Division of Fire and Rescue Services to improve efficiencies, savings and structural issues as of July 1, 2013.

### **Also:**
